Simply “raise your hand” virtually during the Public Comment portions of the meeting using the Zoom app or by pressing “*9” on your phone. 2. PUBLIC COMMENT

This is the time and place for the general public to address the Board of Trustees. This is a special meeting, therefore, members of the public may only comment on agenda items. State law prohibits the Board from acting on any issue not previously included on the agenda. Because there are time limits imposed for public comment, neither the Board nor the superintendent answer questions or respond to statements made during the public comment. Members of the Board or the superintendent may choose to take notes and respond briefly after public comment is closed. Individual speakers shall be allowed up to three minutes to address the Board on each agenda item. If a member of the public desires to be heard on more than three items appearing on the agenda, he or she will be allowed up to a total of ten minutes to address all desired agenda items with a maximum of three minutes per agenda item. For agenda items, in order to ensure that non-English speakers receive the same opportunity to directly address the Board, any member of the public who utilizes a translator shall be provided twice the allotted time to address the Board, unless simultaneous translation equipment is used to allow the Board to hear the translated public testimony simultaneously. Board Policy 9323 limits the total time for public input on each agenda item to thirty minutes. The Board assumes no responsibility for the speaker's liability for any intentionally false or defamatory comments the speaker may make regarding any person during the opportunity for public comment. Persons who have complaints against employees of the District are encouraged to seek resolution of those complaints by utilization of the Etiwanda School District written complaint procedure rather than orally addressing them at a meeting.
